

# FEET – *Friends Enhancing EMMET TRANSIT* VOLUNTEER SIGN-UP FORM

**Who:** FEET is a group of citizens and representatives from community agencies and businesses working together to create public transportation for Emmet County. FEET is an offshoot of Emmet 20/20 and the Transportation Workgroup of the Char-Em Human Services Coordinating Body which has identified transportation as a critical need for our community.

**What:** FEET is working toward a millage vote to form a county-wide transportation system. To put this on the ballot, we need your support.
